## Classification of Regular Badminton Batches of ASMC at NCC and ASC Courts

The ASMC has finalized the classification of regular badminton batches into Advanced, Intermediate, and Beginner levels. This classification is based on the overall playing standards of members enrolled in each batch.

This structured approach aims to ensure balanced sporting interaction, encourage progressive improvement, and facilitate a fair and transparent system for managing regular court usage at NCC and ASC.

The detailed batch-wise classification for regular badminton batches is listed on the ASMC web portal and summarised in the tables as **Annexure-1**.
